

Loadstar (Private) Limited  
Tyre & Track Division

## QUALITY POLICY

It is the policy of Solideal Loadstar Tyre, Track & Wheel Division to offer quality products and services which are delivered on time, at a competitive price and in strict conformance with customers' requirements. To achieve these objectives the company recognizes the need for an effective Quality Management System in order to enhance customer satisfaction.

Quality objectives are established in order to conform to the requirements as specified in the ISO 9001:2008 quality standard as well as specific customer requirements. These objectives are reviewed throughout the organization periodically so as to measure their effectiveness and suitability in meeting the requirements of the company's quality policy.

The company maintains a policy of paying attention to the needs of its customers, and seeks to achieve continual improvement in performance through constant use of its management review procedures, in order to assess the continuing suitability of the quality management system as a means of ensuring customer satisfaction.
